

Dear Coca-Cola Enterprises Employee,

The CCE 401(k) plans are moving to a new service provider, JPMorgan Retirement Plan Services, in August 2005. Please take note of these important dates:

July 25, 2005, 2 p.m. Central Time

Last day to enroll through Mercer HR Services

This is the last day you can enroll in the 401(k) and make investment elections through our current service provider, Mercer HR Services. Your account will move to JPMorgan and you will have access to your account at the end of the week of July 31.

Week of July 31, 2005

JPMorgan is new service provider

If you choose to enroll in the 401(k) plan after the move to JPMorgan, you may do so beginning the week of July 31 (the move will be complete and account access restored during this week).

Please contact JPMorgan at **800-345-2345** or **www.mycce401k.com** to enroll, get updated investment information or learn about an easy, new way to get sound guidance you can use to help you invest.

You will need a User ID and personal access code to access the JPMorgan system. Your temporary User ID is your Social Security number. Your temporary personal access code is the last four digits of your Social Security number and the MMDD of your date of birth. (Example: If your Social Security number is 000-00-1234 and your birth date is November 1, your temporary personal access code would be 12341101.)

With the move to JPMorgan, you will have access to a flexible, new investment lineup and cutting-edge financial services. We encourage you to take advantage of this opportunity to save for your future.

Plan the life you want. Start now.

Sincerely,
Coca-Cola Enterprises Inc.
